

Enlarged to the double - in the old - Summer. July 3 & 4

Dear Mr. Tagliabue

We are together today, and
our hearts are full of loyal
love and tender memories. We
think of the adored one - and
we speak of you with a
sympathy beyond words and
reels - in affectionate
greeting, and hopes that your
sorrows may be lessened by the
knowledge that your life set
the East-Crown in that wonder-
ful and beautiful life. —
